Sara Beth

Rascal Flatts

Sara Beth is scared to death
To hear what the doctor will say
She hasn't been well, since the day that she fell
And the bruise it just won't go awaySo she sits and she waits with her mother and dad
And flips through an old magazine
Till the nurse with the smile stands at the door
And says, Will you please come with me?Sara Beth is scared to death
Cause the doctor just told her the news
Between the red cells and white, something's not right
But we're gonna take care of youSix chances in ten, it won't come back again
With the therapy we're gonna try
It's just been approved, it's the strongest there is
And I think we caught it in time
And Sara Beth closes her eyesAnd she dreams she's dancing
Around and around without any cares
And her very first love is holding her close
And a soft wind is blowing her hairSara Beth is scared to death
As she sits holding her mom
Cause it would be a mistake for someone to take
A girl with no hair to the promFor just this morning, right there on her pillow
Was the cruelest of any surprise
And she cried when she gathered it all in her hands
The proof that she couldn't deny
And Sara Beth closes her eyesAnd she dreams she's dancing
Around and around without any cares
And her very first love was holding her close
And a soft wind is blowing her hairIt's quarter to seven, that boy's at the door
And her daddy ushers him in
And when he takes off his cap
They all start to cry
Cause this morning where his hair had been
Softly she touches just skinAnd they go dancing
Around and around without any cares
And her very first true love is holding her close
And for a moment she is un-scared....OHHHHH OHHHHHHH.
