## Drake

[ Chorus ] \*Drake\*It may not mean nothing to y'all  
But understand nothing was done for me  
So I don't plan on stopping at all  
I want this shit forever mayne ('ever mayne, 'ever mayne)I'm shutting shit down in the mall  
And tellin' every girl she the one for me  
And I ain't even planning to call  
I want this shit forever mayne ('ever mayne, 'ever mayne)[ Verse 1 ] \*Drake\*Last name Ever, first name  
Greatest  
Like a sprained ankle boy, I ain't nothin' to play with  
Started off local, but thanks to all the haters

She insists she got mo' class, we know  
Swimmin' in the money, come and find me, Nemo  
If I was at the club you know I ball, chemoDropped a mixtape, that shit sounded like an album  
Who'd have thought a country wide tour be the outcome  
Labels want my name beside an X like Malcolm  
Everybody got a deal, I did it without oneYeah, nigga, I'm about my business  
Killin' all these rappers, you would swear I had a hitlist  
Everyone who doubted me is askin' for forgiveness  
If you ain't been a part of it, at least you got to witness, Bitches[ Chorus ] \*Drake\*It may not mean nothing to  
y'all  
But understand nothing was done for me  
So I don't plan on stopping at all

And tellin' every girl she the one for me  
And I ain't even planning to call  
I want this shit forever mayne ('ever mayne, 'ever mayne)[ Verse 2 ] \*Kanye West\*I used to have hood dreams,  
big fame, big chains  
I stuck my dick inside this life until that bitch came  
And went hard all fall like the ball teams  
Just so I could make it rain, all springY'all seen my story, my glory  
I had raped the game young, you could call it statutory  
When a nigga blow up, they gon' build statues for me  
Old money, Benjamin Button, what? nothin'Nuh, superbad chicks giving me McLovin  
You would think I ran the world like Michelle's husband  
You would think these niggas know me when they really doesn't  
Like they was down with the old me, no you fuckin' wasn't (fuckin' wasn't)Uh, you're such a fuckin' loser  
He ain't even go to class, Bueller  
Trade the Grammy plaques just to have my granny back

'member she had that bad hip like a fanny pack?Chasing the stardom'll turn you to a maniac  
All the way in Hollywood and I can't even act  
They pull their cameras out, and God damn they snap  
I used to want this thing forever, y'all can have it back[ Chorus ] \*Drake\*It may not mean nothing to y'all  
But understand nothing was done for me  
So I don't plan on stopping at all  
I want this shit forever mayne ('ever mayne, 'ever mayne)I'm shutting shit down in the mall  
And tellin' every girl she the one for me  
And I ain't even planning to call  
I want this shit forever mayne ('ever mayne, 'ever mayne)[ Verse 3 ] \*Lil Wayne\*Ok, hello it's the martian,  
Space Jam Jordans  
I want this shit forever, wake up and smell the garden  
Fresher than the harvest, step up to the target  
If I had one guess, then I guess I'm just New OrleansAnd I will never stop like I'm running from the cops  
Hopped up in my car, and told my chauffeur to the top  
Life is such a fuckin' rollercoaster then it drops  
But what should I scream for? this is my theme park!My mind shine even when my thoughts seem dark  
Pistol on my side you don't wanna hear that thing talk  
Let the King talk, check the price and pay attention  
Little Wayne, thats what they gotta say or mentionI'm like Nevada in the middle of the summer  
I'm restin' in the lead, I need a pillow and a cover  
Shhh, my foot's sleepin on the gas  
No break pads, no such thing as last[ Chorus ] \*Drake\*It may not mean nothing to y'all  
But understand nothing was done for me  
So I don't plan on stopping at all  
I want this shit forever mayne ('ever mayne, 'ever mayne)I'm shutting shit down in the mall  
And tellin' every girl she the one for me  
And I ain't even planning to call  
I want this shit forever mayne ('ever mayne, 'ever mayne)[ Verse 4 ] \*Eminem\*There they go, back in stadiums  
as Shady spits his flow  
Nuts they go, macadamian, they go so ballistic whoa  
We can make them look like Bozos  
He's wonderin' if he should spit this slowFuck no! Go for broke  
His cup just runneth over, oh no  
He aint had a buzz like this since the last time he overdosed  
They've been waiting patiently for Pinocchio to poke his noseBack into the game and they know  
Rap will never be the same as before  
Bashin' into the brains of these hoes  
And establishin a name as he goesThe passion and the flame is ignited  
You can't put it out once we light it  
This shit is exactly what the fuck that I'm talking bout when we riotYou dealin' with a few true villians  
Who stand inside of the booth truth spillin'  
And spit true feelings until our tooth fillings  
Come flying up out of our mouths, now rewind it!Payback muthafucka for the way that you got at me  
So how's it taste?

When I slap the taste outta your mouth  
With the bass so loud that it shakes the place I'm Hannibal Lecter, so just incase  
You was thinkin of savin face  
You ain't gonna have no face to save  
By the time I'm through with this place, so Drake [ Chorus ] \*Drake\* It may not mean nothing to y'all  
But understand nothing was done for me  
So I don't plan on stopping at all  
I want this shit forever mayne ('ever mayne, 'ever mayne) I'm shutting shit down in the mall  
And tellin' every girl she the one for me  
And I ain't even planning to call  
I want this shit forever mayne ('ever mayne, 'ever mayne)
