

# No Man Is an Island

## Warp 9

No man is an island  
No man stands alone  
Each man's joy is joy to me  
Each man's grief is my ownWe need one another  
So I will defend  
Each man as my brother  
Each man as my friendI saw the people gather  
I heard the music start  
The song that they were singing  
Is ringing in my heartNo man is an island  
Way out in the blue  
We all look to the one above  
For our strength to renewWhen I help my brother  
Then I know that I  
Plant the seed of friendship  
That will never die
