Lena

Love in a instant starts at a distance
Still shining bright
Space inbetween us, truth it will keep us
Close for all timeOur heart goes on and on
Our heart beating like a drum
In the dark you made me strong
Like you've always doneI will carry you home
I will carry you home
You're in my heart and in my bones
I will carry you home
Lost in a moment, you keep me going
When I am blue
Now that it's over, still I am stronger
As if I never knew youOur heart goes on and on
Our heart beating like a drum
In the dark you made me strong
Like you've always done
I will carry you home
I will carry you home
You're in my heart and in my bones
I will carry you home
