Feel the Rain

Compact Disco

All along our way
My feelings turned to grey,
Faded to the rain.
We're running out of time.
I feel like if you still
Try to make me cry.

And I feel the rain
Flowing down again
Pouring from our eyes
When we say goodbye,
And I feel the rain
Flowing down again
Pouring from our eyes
When we say goodbye,
say goodbye.

You were all my light,
But now I feel inside:
I run into the night.
We're running out of time,
I feel like if you still
Try to make me cry.

And I feel the rain
Flowing down again
Pouring from our eyes
When we say goodbye,
And I feel the rain
Flowing down again
Pouring from our eyes
When we say goodbye,
say goodbye.
