

Take Me There

PARADIGMX

There's a place in your heart, nobody's been
 Take me there
Things nobody knows, not even your friends
 Take me there
 Tell me 'bout your momma
Your daddy, your hometown, show me around
 I wanna see it all, don't leave anything out
 I wanna know everything about you then
And I wanna go down every road you've been
Where your hopes and dreams and wishes live
 Where you keep the rest of your life hid
I wanna know the girl behind that pretty stare
 Take me there
 Your first real kiss, your first true love
You were scared, show me where you learned about life
 Spent your summer nights without a care
 Take me there
I wanna roll down Main Street, the back roads
 Like you did when you were a kid
 What made you who you are?
 Tell me what your story is

 I wanna know everything about you then
 And I wanna go down every road you've been
 Where your hopes and dreams and wishes live
 Where you keep the rest of your life hid
I wanna know the girl behind that pretty stare
 Take me there, yeah
 I wanna know everything about you
 Yeah, everything about you, baby
 I wanna go down every road you've been
 Where your hopes and dreams and wishes live
 Where you keep the rest of your life hid
I wanna know the girl behind that pretty stare
 Take me, take me, take me there, oh
 (Take me, baby, take me)
 I wanna roll down Main Street
I wanna know your hopes and your dreams
 (Take me there)

Take me, take me there, yeah
(Take me, baby, take me)
(Take me there)
(Take me, baby, take me)
(Take me there)
