

Kill the King

Primal Scream

You said making love is a form of violence
You said victory is all, i don't believe in you
The mind behind the the man behind the gun
 Behind the bullet in the skull
 Is part of everyone
 We all can kill we've got the will
 The demon seed is planted deep
 In our subconscious fear is king
 Fear rots inside everything
 Kill the kingYou said you would kill
 If it helped to change the world
 You said you would take a life
 How many life's are worth freedom
 The mind behind the man behind the gun
 Behind the bullet in the skull
 Is part of everyone
 We all can kill we've got the will
 The demon seed is planted deep
 In our subconscious fear is king
 Fear rots inside everything
 Kill the king
