

# Face Lift

[Joni Mitchell](#)

I went so numb on Christmas day  
I couldn't feel my hands or feet  
I shouldn't have come she made me pay  
For gleaming with Donald down her street  
She put blame on him and shame on me  
She made it all seem so tawdry and cheap  
Oh, let's be nice, Mama, open up your gifts  
You know, happiness is the best face lift  
I mean, after all, she introduced us  
Oh, but she regrets that now  
Shacked up downtown  
Making love without a license same old sacred cow  
She said, "Did you come home to disgrace us?"  
I said, "Why is this joy not allowed?"  
For God's sake, I'm middle aged, Mama and time moves swift  
And you know happiness is the best face lift  
Oh, love takes so much courage  
Love takes so much shit  
He said "You've seen too many movies, Joni"  
She said "Snap out of it"  
Oh, the cold winds blew at our room with a view  
All helpful and hopeful and candlelit  
We kissed the angels and the moon eclipsed  
You know, happiness is the best face lift  
We pushed the bed up to the window  
To see the Christmas lights  
On the east bank across the steaming river  
Between the bridges lit up Paris like  
This river has run through both our lives  
Between these banks of our continuing delights  
Bless us, don't let us lose the drift  
You know, happiness is the best face lift
