

Tonight (Ghost Hunter Remix)

The Big Pink

Tonight, you take a part of my life
Tonight, you take a part of my life Only lovers are left alive
Only lovers are on my side
Wasted days and wasted nights
'Cause my dreams just slowly die Stand by me, stand by my side
Change your low and make it mine
With your arms around me, I'm satisfied
Take me to your music, I'm calm inside Tonight, you take a part of my life
Tonight, you take a part of my life Take that train, forget the world
Find those girls ar made of gold
I've done a lot of things and none went wrong
Please forgive me, before I'm gone Tonight, you take a part of my life
Tonight, you take a part of my life Tonight, you take a part of my life
Tonight, you take a part of my life
Tonight, you take a part of my life
Tonight, you take a part of my life
