

I'm So Lonesome I Could Cry

Stonewall Jackson

Hear that lonesome whippoorwill, he sounds too blue to fly
That midnight train is whining low, I'm so lonesome I could cryI've never seen a night so long when time goes
crawlin' by
The moon just went behind a cloud to hide its face and cryDid you ever see a robin weep when leaves began to
die
Like means he's lost the will to live, I'm so lonesome I could cryThe silence of a falling star lights up a purple
sky
And as I wonder where you are, I'm so lonesome I could cry
I'm so lonesome I could cry
