Don't Say Goodbye

Eternal

By: Dennis Charles/Ronnie Wilson/Eternal
I can remember the time when I first tasted love
It tasted so good there just wasn't enough
Since you entered my life things could never be the same, no
And if ever you left me there'd be everlasting pain
'Coz you said to me
That our love would last forever
But it's plain to see
That something has happened that I can't ignore
'Coz you wanna walk
Out that door
(Don't you turn your back)
(Don't you turn around)
(Don't you say goodbye)
Don't say goodbye
(Don't you turn your back)
(Don't you turn around)
(Don't you say goodbye)
I'm not begging you baby
Won't you reassure my fears
Just say something good
Tell me something I wanna hear
And if you can't, oh well never mind
I don't want you to lie
Even if it's just to be kind
'Coz I can't believe, no
That there is a distance growing
Between you and me
Just tell me the reason why you've changed your tune
You used to be over the moon
(Don't you turn your back)
Don't turn your back on me baby
(Don't you turn around)
(Don't you say goodbye)
Say goodbye, goodbye, goodbye, no, no, no, no
(Don't you turn your back)
(Don't you turn around)
(Don't you say goodbye)
(Don't you turn your back)

(Don't you turn around)
(Don't you say goodbye)
(Don't you turn your back)
Don't you turn around
(Don't you turn around)
(Don't you say goodbye)
Don't say goodbye baby
Alright
I don't know what I'd do without you
Don't leave me baby
(If you ever leave)
I can't do without you
'Coz you said to me, oh baby
That our love would last forever
But it's plain to see now, baby
(There's something that's happend that I can't ignore)
(Coz you wanna walk)
Out the door
(Don't turn your back)
Don't you turn around
(Don't you say goodbye)
(Don't you turn your back)
(Don't you turn around)
(Don't you say goodbye)
(Don't you turn your back)
(Don't you turn around)
(Don't you say goodbye)
