## Fetty Wap

Yeah, 1738! Zoovier! Yeah baby! Bang, bang, bang, bang  
Don't fuck around with my baby, man I swear she love me  
Bang, bang, bang, bang

Don't fuck around with my baby, man I swear she love me  
And when it come to money, all we know, we got it

Fuck around with my baby, I go bang bang with my baby  
Switch lanes with my baby, sip lean with my baby  
Countin' up goin' crazy, stackin' up with my baby

Zoovier hit a stain for it, and she gon' let it bang for it Bang, bang, bang, bang  
Don't fuck around with my baby, man I swear she love me  
Don't fuck around with my baby, man I swear she love me  
And when it come to money, all we know, we got it  
And we gon' grow old but we gon' shine together  
Don't fuck around with my baby, man I swear she love me
