Freckle

Moose Blood

Do you really wanna go there?
Do you think it'll make it easier?
'Cause I don't
And don't say it now, love
And don't say it at all, I'm about to go
You know I can't do this on my own'Cause it's not enough
Just wait for the ride home
It's not enough
When I'm home, I don't wanna go
You know I hate to leave
'Cause it's hard enough sleeping on the floor
Without you next to meEven though it's only been a week
And counting down the days
'Cause I'm getting so damn tired of falling out
Every morning when we talk
I wish we didn't go there
You don't think about how hard it is
And it shows
And don't be like that, love
And don't say it when I have to go
You know I can't do this on my ownYou look so good to me
But you know I adore you
'Cause I always told you
