

Tongue Tied

My Vitriol

When my eyes aren't open wide
When it's hard to make the time
 When words are so uptight
 Thoughts collide
 If answers are unsure
I've been through this before
And an ocean fills my mind
 I'm so tired
 You can make a face at me
But it's more than I can hide
 You can place it all on me
 And even though I try
 I am speaking slowly
But inside I am only wanting you
 To hear me
 Too late to make a sound
 And I can't drown it out
 Too much to say aloud

 I'm tongue-tied
Too many strangers in the crowd
 Only your face I have found
 But with all the lines I try
 I never find
 You can make a face at me
But it's more than I can hide
 You can place it all on me
 And even though I try
 I am speaking slowly
But inside I am only wanting you
 To hear me
 Too late to make a sound
 And I can't drown it out
 Too much to say aloud
 I'm tongue-tied
