

We Belong

Pat Benatar

Many times Ive tried to tell you
Many times Ive cried alone
Always Im surprised how well you
Cut my feelings to the boneDont wanna leave you really
Ive invested too much time
To give you up that easy
To the doubts that complicate your mindWe belong to the light
We belong to the thunder
We belong to the sound of the words
Weve both fallen underWhatever we deny or embrace
For worse or for better
We belong, we belong
We belong togetherMaybe its a sign of weakness
When I dont know what to say
Maybe I just wouldnt know
What to do with my strength anywayHave we become a habit?
Do we distort the facts?
Now, theres no looking forward
Now, theres no turning back
When you sayWe belong to the light
We belong to the thunder
We belong to the sound of the words
Weve both fallen underWhatever we deny or embrace
For worse or for better
We belong, we belong
We belong togetherClose your eyes and try to sleep now
Close your eyes and try to dream
Clear your mind and do your best
To try and wash the palette cleanWe cant begin to know it
How much we really care
I hear your voice inside me
I see your face everywhere
Still you sayWe belong to the light
We belong to the thunder
We belong to the sound of the words
Weve both fallen underWhatever we deny or embrace
For worse or for better
We belong, we belong
We belong togetherWe belong to the light

We belong to the thunder
We belong to the sound of the words
We've both fallen under Whatever we deny or embrace
For worse or for better
We belong, we belong
We belong together We belong to the light
We belong to the thunder
