

# Sleeps With Butterflies

[Tori Amos](#)

Airplanes take you away again  
Are you flying above where we live  
Then I look up, a glare in my eyes  
Are you having regrets about last night I'm not but I like rivers that  
Rush in, so then I dove in  
Is there trouble ahead for you, the acrobat  
I won't push you unless you have a net You say the word, you know I will find you  
Or if you need some time I don't mind  
I don't hold on to the tail of your kite  
I'm not like the girls that you've known  
But I believe I'm worth coming home to  
Kiss away night, this girl only sleeps with butterflies  
With butterflies  
So go on and fly then, boy Balloons look good from on the ground  
I fear with pins and needles around  
We may fall then stumble upon a carousel  
It could take us anywhere You say the word, you know I will find you  
Or if you need some time I don't mind  
I don't hold on to the tail of your kite  
I'm not like the girls that you've known  
But I believe I'm worth coming home to  
Kiss away night, this girl, this girl You say the word, you know I will find you  
Or if you need some time I don't mind  
I don't hold on to the tail of your kite  
I'm not like the girls that you've known  
But I believe I'm worth coming home to  
Kiss away night, this girl only sleeps with butterflies  
With butterflies, with butterflies, so go on and fly, boy
