

Just Got Paid

*NSYNC

Thank God it's Friday night
And I just got paid Money
Money
Money Just got paid, Friday night
Party hoppin', feelin' right
Booties shakin', all around
Pump that jam, while I'm gettin' down Check the mirror, lookin' fly
Round up the posse, jump in my ride
Radio rockin', hottest jam
Feel the rhythm, pump up the sound feelin' so good
Don't you know, I'm just groovin' to the beat?
Groovin', yeah, groovin', oh, oh, oh, oh Just got paid, Friday night
Party hoppin', feelin' right
Booties shakin', all around
Pump that jam, while I'm gettin' down Yo some people say my solo is impossible
But when I get up on the MIC, yo, I'm unstoppable
And it's probable when ya hear our voices laid down
You'll be boppin' your head to this I'll tight sound Now I know you thought you had me played
Check is in the mail I got it made
And if you'll notice my smile is like Kool-Aid
'Cuz I just got paid uh On the floor, rockin' to the beat
All ways, sure looks sweet
Fine young lady, standin' by
Come on baby, sweet eye delight I love the way that you move
Said, you look so sweet
When you're movin' to the beat
I'm tired all these boring parties, baby
Why don't we get on down? Let's get on down Just got paid, Friday night
Party hoppin', feelin' right
Booties shakin', all around
Pump that jam, while I'm gettin' down Just got paid, Friday night
Party hoppin', feelin' right
Booties shakin', all around
Pump that jam, while I'm gettin' down Say ho, say ho
Say ho ho
Say ho ho
Say ho ho ho
Say ho oh Just got paid, Friday night
Party hoppin', feelin' right

Booties shakin', all around
Pump that jam, while I'm gettin' downJust got paid, it's Friday nite
Party hoppin', feelin' right
Booties shakin', all around
Pump that jam, while I'm gettin' down
I'm getting down, down
I'm getting down.. yeahYeah, I'm broke
