

# Let It Snow, Let It Snow, Let It Snow

## Lady Antebellum

Oh, the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow, let it snow, let it snow It doesn't show signs of stopping  
And I've bought some corn for popping  
The lights are turned away down low  
Let it snow, let it snow, let it snow When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you'll really hold me tight  
All the way home I'll be warm The fire is slowly dying  
And, my dear, we're still good-bying  
But as long as you love me so  
Let it snow, let it snow, let it snow When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you'll really hold me tight  
All the way home I'll be warm The fire is slowly dying  
And my dear, we're still good-bying  
But as long as you love me so  
Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow
