Finally

Gravity Saints

Yo, yo
This is a champion song
Feel me
Me and Brandy
We have rise to the occasion, c'mon
Like this, talk to 'em, ahh
I could've stayed in that place too long
I would've made it okay for you to do me wrong
I would've played the role one more day
If I didn't hear my conscience say
(Talk to 'em)
Stop, look around
(Yeah)
Is this where you belong?
(Oh, yeah)
Look at yourself
Are you weak? are you strong?
(Oh, no no)
I realize that it's all up to me
(Yeah)
To make myself happy
(C'mon)
Finally I walked away
(Yeah, yeah)
Never would've seen this day
(Oh)
Givin' up on those things that hurt me
Made me who I am today
(Oh)
Finally I walked away
(Finally)
Never would've seen this day
(Yeah, yeah)
Givin' up on those things that hurt me
Made me who I am today
Lookin' back on my choices made
Thinkin' about the things I did to make you stay
I wonder sometimes why my love didn't turn to hate
Then I hear the same little voice inside me say

Stop, look around
(Oh look around)
Is this where you belong?
(Is it where you belong?)
Look at yourself
(Oh)
Are you weak? are you strong?
(Yeah)
I realize that it's all up to me
(I realize)
(It's all up to me)
To make myself happy
(Oh oh)
Finally I walked away
(Walked away)
Never would've seen this day
(Givin' up)
Givin' up on those things that hurt me
(On those things that hurt me)
Made me who I am today
(Oh yeah)
Finally I walked away
(Yeah)
Never would've seen this day

(Givin' up)
Givin' up on those things that hurt me
Made me who I am today
Ooh, ooh, ooh, ooh
(Ahh)
(Walk with us)
Ooh, ooh, ooh, ooh
(Haa)
(Walk with us)
Finally I'm where, I'm suppose to be
(Ooh, ooh, ooh, ooh)
(C'mon)
Finally I'm where, I'm suppose to be
(Ooh, ooh, ooh, ooh)
(C'mon)
Yeah yeah
Finally I walked away
(I walked away)
Never would've seen this day
(Never seen this day)

Givin' up on those things that hurt me
(Givin' up on those things, yeah yeah)
Made me who I am today
(Oh oh)
Finally I walked away
(Walked away)
Never would've seen this day
(Never, never)
Givin' up on those things that hurt me
(Oh oh)
Made me who I am today
(Huu)
Yea yea yea yea
(Ooh, ooh, ooh, ooh)
Yea yea yea yea
(Walk with us)
Yea yea yea yea
(Ooh, ooh, ooh, ooh)
Yea yea yea yea
(Walk with us)
(Whao whao)
Finally I'm where, I'm suppose to be
(Yea yea yea yea)
(Ooh, ooh, ooh, ooh yeah)
(C'mon)
Finally I'm where, I'm suppose to be
(Yea yea yea yea)
(Ooh, ooh, ooh, ooh yeah)
(C'mon)
(Whao whao)
Finally I'm where, I'm suppose to be
(Yea yea yea yea)
(Ooh, ooh, ooh, ooh yeah)
(C'mon)
Finally I'm where, I'm suppose to be
(Yea yea yea yea)
(Ooh, ooh, ooh, ooh yeah)
(Whao whao)
Finally I'm where, I'm suppose to be
(Yea yea yea yea)
(Ooh, ooh, ooh, ooh yeah)
Finally I'm where, I'm suppose to be
(Yea yea yea yea)
(Ooh, ooh, ooh, ooh yeah)
