

Deeper

A Place to Bury Strangers

If you are with me you know you're gone
If you talk to me you know you're gone
If you fuck with me you know you're gone
If you fuck with me you know you're gone
I gotta get so deep, I gotta get so deep
I gotta get so deep, I gotta get so deep Deeper, deeper, deeper sea, deeper than me, deeper sea
Deeper, deeper, deeper sea, deeper than me, deeper sea
Deeper, I gotta get so deep
I gotta get so deep, I gotta get so deep If you are with me you know you're gone
If you talk to me you know you're gone
If you fuck with me you know you're gone
If you fuck with me you know you're gone
I gotta get so deep, I gotta get so deep
I gotta get so deep, I gotta get so deep
Deeper, deeper, deeper sea, deeper than me, deeper sea
Deeper, deeper, deeper sea, deeper than me, deeper sea
Deeper, I gotta get so deep
I gotta get so deep, I gotta get so deep
