Always (Album Version)

Greeley Estates

It's just the way you...
Way that you're standing there
Unaware
So long I have had dreams
Can't keep my eyes off you
Off of youStand still I just want this moment with you
You're so beautiful
And I am lost here in your eyes (Those eyes)To feel you here in my arms
No place that I'd rather be
Be than right here with you, next to meStand still I just want this moment with you
You're so beautiful
And I am lost here in your eyes (Those eyes)If you could only see through my eyes
You'd know I'd die for you (die for you)
Right now nothing could take this, this momentTo taste your lips here on mine
Your skin is so silky soft.
Don't want to let you go
Because you're mineStand still I just want this moment with you
You're so beautiful
And I am lost here in your eyes (Those eyes)If you could only see through my eyes
You'd know I'd die for you (die for you)
Right now nothing could take this, this moment(The thought)
It's the thought of losing you
??? ??? How much I am with you
It's the thought of losing you
And now were standing here
I promise you.... AlwaysIf you could only see through my eyes
You'd know I'd die for you (die for you)
Right now nothing could take this, this momentIf you could only see through my eyes
You'd know I'd die for you (die for you)
Right now nothing could take this, this moment
