

The Way

Amorphis

Forging future from the timeless stone
Oh let me know how far I can go
Answering the questions that no one ever asks
Float through the sea of madness and face the everlasting task
So lonely to wander, so sad to be alone
In the mist of the unknown
Trying to fool myself with dreams that never come true
So hard to stand my ground, never again
Never again will I fail, will I fail
Will you tell me not to wait, tell me to live for today
As the flowers wither, I will forget my pain
Since the stars have shone
The devil has shown me the way
Will you tell me not to wait, tell me to live for today
As the flowers wither, I will forget my pain
Since the stars have shone
The devil has shown me the way, the way
