

# French Dog Blues (Doherty, Ian Brown, Moss)

## Babyshambles

I model lackluster panicky in vain search for the remedy  
No words only melody come so I take my day off my love  
My love she sits with me, I love, I love her company  
Raindrops on roses and dust filled trinkets All this washes over you, my French dog blues  
Chien Bleu Chien franz ÃfÃsicher Hund  
And the French dog blues  
And the French dog blues by the French dog blues Never surrender to flattery  
Frown on, come down on duplicity  
And above all things my son  
Take the money and run I still model lackluster panicky in vain search for the remedy  
No words only melody comes, I take another day off Oh, this washes over you, my French dog blues  
Chien Bleu Chien franz ÃfÃsicher  
Yeah, I see you I only ever wanted the one with the flag  
All you ever wanted was a sixty dollar bag  
And a cheap limousine for your deep pile dreams on the highway  
On the highway, highway, oh Chien Bleu franz ÃfÃsicher Chien  
That is the French dog blues  
That is the French dog blues  
That is the French dog blues  
That is the French dog
