She Bangs

William Hung

Talk to me, tell me your name
You blow me off like it's all the same
You lit a fuse and now I'm ticking away
Like a bomb, yeah babyTalk to me, tell me your sign
You're switchin' sides like a Gemini
You're playing games and now you're hittin' my heart
Like a drum, yeah babyWell, if Lady Luck gets on my side
We're gonna rock this town alive
I'll let her rough me up 'til she knocks me out
She walks like she talks and she talks like she walksShe bangs, she bangs
Oh baby, when she moves, she moves
I go crazy 'cause she looks like a flower
But she stings like a bee like every girl in historyShe bangs, she bangs
I'm wasted by the way she moves, she moves
No one's ever looked so fine
She reminds me that a woman's got one thing on her mindTalk to me, tell me your name
I'm just a link in your [Incomprehensible] chain
You're welcome like a diamond [Incomprehensible]
To the stars, yeah babyTalk to me, tell me the news
You'll wear me out like a pair of shoes
We'll dance all night until the band goes home
Then you're gone, yeah babyWell, if it looks like love should be a crime
You better lock me up for life
I'll do the time with a smile on my face
Thinkin' of her in her leather and laceShe bangs, she bangs
Oh baby, when she moves, she moves
I go crazy 'cause she looks like a flower
But she stings like a bee like every girl in historyShe bangs, she bangs
I'm wasted by the way she moves, she moves
No one's ever looked so fine
She reminds me that a woman's got one thing on her mindWell, if Lady Luck gets on my side
We're gonna rock this town alive
I'll let her rough me up 'til she knocks me out
She walks like she talks and she talks like she walksShe bangs, she bangs
Oh baby, when she moves, she moves
I go crazy 'cause she looks like a flower
But she stings like a bee like every girl in historyShe bangs, she bangs
I'm wasted by the way she moves, she moves
No one's ever looked so fine

She reminds me that a woman's got one thing on her mind
She bangs
