

Jump to It

Aretha Franklin

Yeah, yeah, yeah, yeah
(Girl, I got to go)
Yeah, yeah, yeah
(I got to go now, really)
(Yeah, I'm kinda in a hurry)
Yeah, yeah, yeah, yeah
(Uh, huh, here's the reason why) Jump, jump, jump to it
Jump, jump, jump to it
Jump, jump, jump to it
Jump, jump, jump to it My baby, loves me, he told me that
And I never question, that point or fact
There is no fighting, scandal or shame
Uh, he really moves me, drives me insane I can't talk to you now, girl, I got love to get
When my baby, calls I got jump to it
I'm in a hurry, there's love to get
When my baby, calls I jump, jump, jump to it Jump, jump, jump to it
Jump, jump, jump to it I just can't wait till today at 4
That's when my sweet thing, said he would call
Please don't keep me waitin', it's 3:59
Ring ding, hello baby, oh, come please be mine Girl, I can't talk to you now, I got love to give
When my baby, calls I got jump to it
I'm in a hurry, there's love to get
When my baby, calls I jump, jump, jump to it Jump, jump, jump to it
I really flip and I jump, jump, jump to it Now Kelly
(Jump to it)
You know when we talk
We have a lot of fun, don't we, girl, dishin' out
The dirt on everybody and givin' each other the 411
(Jump to it)
On who drop kicked who this week
You know what I'm talkin' bout When my baby call, shout
(Jump to it)
When my baby calls
(Jump to it) Yeah, yeah, yeah, yeah
(Yeah, yeah, yeah)
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah
(Oh, yeah, yeah, yeah, yeah, yeah)
Yeah, yeah, yeah, yeah, yeah, huh Jump, jump, jump to it

Jump to it
Jump, jump, jump to it
Jump to itJump, jump, jump to it
Jump to it
Jump, jump, jump to it
Jump to it
