

Number 1 (Alan Braxe & Fred Falke Club Remix)

Goldfrapp

Walk out into velvet
Nothing more to say
You're my favorite moment
You're my Saturday 'Cause you're my number one
I'm like a dog to get you
I want it up and on
I'm like a dog to get you Sunset only seconds
Just ripe then it's gone
Got no new intentions
Just right then it's gone 'Cause you're my number one
I'm like a dog to get you
I want it up and on
I'm like a dog to get you
