Break the Spell

Metalium

Can You Believe It
There's No Denial
I Am The Reaper
Harvest Your FireFeed On Your Hate
See My Eyes Glowing Red
Watching You Burning Your Bridges
Death In My Wake
And I'm Onto Your Trail
Spilling The Blood Of The RichnessThe Freedom You Shackled
Glory You Stole
All In The Name Of My Burning SoulWhen The Day Has Come
We Break The Spell, Ohh
When The Day Has Come
We'll Fight You All,
When The Day Has Come
We Break The Spell, Ohh
When The Day Has Come
We'll See You FallI Run Through Your Wasteland
Hard On Your Heels
Breaking Your Courage
Your Life Blood I'll StealThe Freedom You Shackled
Glory You Stole
All In The Name Of My Burning SoulWhen The Day Has Come
We Break The Spell, Ohh
When The Day Has Come
We'll Fight You All,
When The Day Has Come
We Break The Spell, Ohh
When The Day Has Come
We'll See You Fall[Guitar Solo Matthias Lange]
[Guitar Solo Chris Caffery]When The Day Has Come
We Break The Spell, Ohh
