

Call Me What You Like

Keane

There's no believing and no reason why
Well, I'm superstitious and I can fly I float through the ceiling and into your eyes Call me what you like
I just wanna be there with you all the time
Do you wanna be here with me all the time? There's no believing and no real surprise
Well, I am a ghost here appearing in the night To float through the ceiling and into your eyes Call me what you
like
I just wanna be there with you all the time
Do you wanna be here with me all the time? I float through the ceiling and into your eyes Call me what you like
I just wanna be there with you all the time
Do you wanna be here with me?
