

Sweet Leaf

Bill Ward/Geezer Butler/Ozzy Osbourne/Tony Iommi

[Originally by Black Sabbath]ALRIGHT NOW!

Won't you listen?When I first met you, didn't realize

I can't forget you, for your surprise

you introduced me, to my mind

And left me wanting, you and your kindI love you, Oh you know itMy life was empty, forever on a down

Until you took me, showed me around

My life is free now, my life is clear

I love you sweet leaf, though you can't feelCome on now, try it outStraight people don't know, what you're
about

They put you down and shut you out

you gave to me a new belief

and soon the world will love you sweet leaf
