

Side By Side

Les Thugs

I remember this day
The sun shinning in your eyes
Your skin burning and so sweet
Under my finger and my lips
We were always side by side
You were singing in my mind
Always side by side

I remember this day
The sky was clouding over us
The wind blowing in your hair
Shadows coming into your glance

I remember this day
It was raining on your face
Lightenings in your eyes
Thunder in my head
We'll always be side by side
You'll be singing in my mind
Always side by side
