

Saddle Up a Buzz Buzz

The Cramps

Fatima had a fetish for a wiggle in her scoot, from her big tall heels on her big tall boots...she said 'saddle up a buzz buzz' tarzan drove a stingray on a fiberglass jungle, swung from high tension wires and yelled down at the humble 'hey...saddle up a buzz buzz' rabid rat fink caught an eighty foot wave, hit the bonzai pipeline and rode it straight to the grave, screamin 'saddle up a buzz buzz' callin' all KNIF's on a collision course, don't let it bug ya if you ain't got no horse...whoa! saddle up a buzz buzz...
