

Have You Ever Been Loved

Monifah

She was like an angel
So sweet, no sorrow
She thought that she had everything
Her little heart could wish for When he came into her life
She thought he was the one
Blinded by the face
Of what she had become She sacrificed her body
Soul and everything
The one she loved
Then left to break Tell me, have you ever been loved?
How do you know? How do you know? Yeah
And if youve ever been loved
Tell me, do you know for sure?
Tell me, do you know for sure? Waking up to babys cries
Deep in the night
She put aside her dreams
Not knowing there was more to life She gave him all she had
And now the man is gone
Her will was not enough
For her to carry on Have you ever been loved?
How do you know?
And if youve ever been loved
Tell me, do you know for sure?
Do you know? Do you know? Do you know? Have you ever been loved?
How do you know?
How would you ever know?
And if youve ever been loved
Tell me, do you know for sure?
Do you know? Have you ever been loved?
Have you ever been loved?
Have you ever been?
Have you ever been loved?
Have you ever been?
Do you know? Do you know? Did you know? Have you ever been loved?
Have you ever been?
Have you ever been loved?
Do you know? Do you know? Did you know? Have you ever been loved?
Have you ever been?
How do you know?

Do you know? Do you know? Did you know? And if you've ever been loved
Have you ever been?
Tell me, do you know for sure?
