

The Last Night

Beats For Ballers

You come to me with scars on your wrist
You tell me this will be the last night
 Feeling like this
 I just came to say goodbye
 Didn't want you to see me cry
 I'm fine but I know it's a lie
 This is the last night you'll spend alone
 Look me in the eyes so I know you know
 I'm everywhere you want me to be
 The last night you'll spend alone
 I'll wrap you in my arms and I won't let go
 I'm everything you need me to be
 Your parents say everything is your fault
 But they don't know you like I know you
 They don't know you at all
 I'm so sick of when they say
 It's just a phase, you'll be okay, you're fine
 But I know it's a lie
 This is the last night you'll spend alone
 Look me in the eyes so I know you know
 I'm everywhere you want me to be
 The last night you'll spend alone
 I'll wrap you in my arms and I won't let go
 I'm everything you need me to be
 The last night away from me
 The night is so long when everything's wrong
 If you give me your hand, I will help you hold on
 Tonight, tonight
 This is the last night you'll spend alone
 Look me in the eyes so I know you know
 I'm everywhere you want me to be
 The last night you'll spend alone
 I'll wrap you in my arms and I won't let go
 I'm everything you need me to be
 I won't let you say goodbye
 And I'll be your reason why
 The last night away from me, away from me
