

The Plot

Antone Mecca

He gets up late
He gets upset
And I watch the whole thing
Happen from the foot of the bed
Well, I could stay in bed all day
Is that such an awful thing for me to say?
That's a problem and it's any body's guess
He's not impressed
He's not impressed
I'm so whoa, ohh
I'm so whoa, ohh
I'm so whoa, ohh
When she gets home
The door is open and it's hard to wait
Outside when she is gone
That's a problem and it's any body's guess
He's not impressed
He's not impressed
I'm so whoa, ohh
I'm so whoa, ohh
I'm so whoa, ohh
Oh, no
Go out and you sleep
You're hiding in the sheets
But I work hard
So we can have nice things
You're not even dressed
The house is such a mess
He's not impressed
He's not impressed
I'm so whoa, ohh
I'm so whoa, ohh
I'm so whoa, ohh
