You Love to Sing

Copeland

I've never any time to play It always seems to slip away But it never really goes by While I wait here with my lullaby For our only trySing with your head up With your eyes closed Not because you love the song Because you love to sing Because you love to sing, ohYou saw frustration on my brow You noticed I'm distracted now I'm thinking only of my bill fold And how I want to face you with Diamonds and gold in my head, in my headSing with your head up With your eyes closed Not because you love the song Because you love to sing Because you love to sing, ohSing with your head up With your eyes closed Not because you love the song Because you love to sing Because you love to sing, ohSing with your head up With your eyes closed Not because you love the song Because you love to sing Because you love to sing, ohSing with your head up With your eyes closed Not because you love the song
