

Leather And Lace (With Don Henley)

Stevie Nicks

Is love so fragile
And the heart so hollow
Shatter with words
Impossible to follow
You're saying I'm fragile I try not to be
I search only for something I can't see I have my own life and I am stronger
Than you know
But I carry this feeling
When you walked into my house
That you won't be walking out the door
Still I carry this feeling
When you walked into my house
That you won't be walking out the door Lovers forever face to face
My city your mountains
Stay with me stay
I need you to love me
I need you today
Give to me your leather
Take from me my lace You in the moonlight
With your sleepy eyes
Could you ever love a man like me
And you were right
When I walked into your house
I knew I'd never want to leave
Sometimes I'm a strong man
Sometimes cold and scared
And sometimes I cry
But that time I saw you
I knew with you to light my nights
Somehow I'd get by Lovers forever face to face
My city your mountains
Stay with me stay
I need you to love me
I need you today
Give to me your leather
Take from me my lace Lovers forever face to face
My city your mountains
Stay with me stay
I need you to love me

I need you today
Give to me your leather
Take from me my lace
But take from me my lace
Take from me my lace
