

# That's Why Girls Cry

Susanna Hoffs

Oh, I'm lonely, but I only seem to need him  
When he's not around  
'Cause he comes up  
At the same time that I go down Then I give him what he needs  
And then he pours it all over me  
Everybody, everywhere wants something  
What could it be? That's why, girls cry  
(That's why)  
That's why, girls cry  
(That's why, that's why) 'Cause the summer brings heat  
And the winter comes and takes it away  
'Cause I came to work  
But the boy only came to play Then he gives me what I need  
And then I tell him, "Get over me"  
Everybody, everywhere wants someone  
Who could it be? That's why, girls cry  
(That's why)  
That's why, girls cry  
(That's why, that's why) I don't wanna talk about it  
I don't wanna talk about it  
Talk and talk, and talk, and talkin', ooh Ooh-waa, ooh-waa, ooh-waa  
Talk and talk, and talk, and talkin', ooh  
Ooh-waa, ooh-waa, ooh-waa Why bite the hand that needs you?  
Why break the heart that bleeds you?  
Why give my hand, I don't understand?  
Why lose a love that almost leads you? There's a line in a dream  
Where the ocean always meets the sky  
If I think real fast  
I can make it by the end of the night Why can't I live my love that way?  
So perfect in every way  
I can't stop this feeling  
What could it be? That's why, girls cry  
(That's why)  
That's why, girls cry  
(That's why, that's why)  
I don't wanna talk about it That's why, girls cry  
(That's why)  
That's why, girls cry  
(That's why, that's why)

I don't wanna talk about it  
I don't wanna talk about it  
I don't wanna talk about it
