Now That I Found You

Carly Rae Jepsen

[Verse 1]
Waking up next to you every morning
How did we get this far?
It came without a warning
My heart's a secret, I think I'm coming alive now
I think I'm coming alive with you[Pre-Chorus]
Head to toe, now I know that I'm feeling
I'm right where I want him to be
Simple zone, when you know, it's a feeling
You're right where you're supposed to be
[Chorus]
Don't give it up, don't say it hurts
'Cause there's nothing like this feeling, baby
Now that I found you
I want it all
No, there's nothing like this feeling, baby
Now that I found you
Now that I found you
Now that I found you[Verse 2]
Give me the words I want, baby, just say it
You know I'm way too old to keep it complicated
Don't wanna hide my love
I don't wanna waste it (I don't wanna waste it)
But I can't deny this feeling when I taste it
[Pre-Chorus]
Head to toe, now I know that I'm feeling
I'm right where I want him to be
Simple zone, when you know, it's a feeling
You're right where you're supposed to be[Chorus]
Don't give it up, don't say it hurts
'Cause there's nothing like this feeling, baby
Now that I found you
I want it all
No, there's nothing like this feeling, baby
Now that I found you
Now that I found you
Now that I found you[Bridge]
Nothing was impossible
It feels like a miracle

But nothing's impossible now
Now that I found, now that I found you
Now that I found, now that I found you[Chorus]
Don't say it hurts
'Cause there's nothing like this feeling, baby
Now that I found you
I want it all
No, there's nothing like this feeling, baby
Now that I found you
Now that I found you
Now that I found you
Now that I found you
Now that I found you
