say that you're gonna be

oh oh oh oh oh...

she said she wants some marvin gaye, some luther vandross, a little anita, will definitely set this party off right

(are u gonna be, are u gonna be, are u gonna be, well well well well well)

she said she want some ready for the world, some new edition, some minnie ripperton, and definitely set this party off right

(are u gonna be, are u gonna be, are u gonna be, well well well well well)

i told her to drive over in your new whip

bring some friends you cool with

imma bring da cool whip

then i want you to strip

see you is my new chick

so we get our grind on

she be grabbin, callin me biggie like shine home

man i swear she fine homes

why she always lying though

tellin me them diamonds when she know they rhinestones

she got a light skinned friend look like michael jackson

got a dark skinned friend look like michael jackson

i play 'ready for the world' - she was ready for some action

my dawg said you aint no freak, so you got to prove my man wrong

imma play this vandross

you gon' take your pants off

imma play this galdys knight

me and you gon' get right

got you lookin at the gliss at my hands and wrists

while i'm likely at smokin on my canibus

when it come to rockin original like marvin and luther

i can tell you aint no messin with kan-man and twist

from the chi and i be

sippin hennessy

twistin almarie?

tryina smoke a b

lookin properly

feelin on a g?

and always (well well well well well)

come with me and sip on some regular champagne

you aint know twista can work it like the whispers

hit the stop light, get into some isaac  
the rims still moving so i'm bumping a little spinners  
while i'm  
smokin on a b  
dippin through the streets  
bumpin r&b  
and i got to leave  
something to the gs?  
and i do it (well well well well well)  
when my earth and the wind smoke a fire  
let me when get your sheets wet listening to keith sweat  
put you in a daze for maze  
fullfilling our every sensation slow? having deep sex  
you ready for the world girl  
come on over make me touch you all over your body baby don't say no to me  
an every moment you controllin' me i'm lovin the way you be holding me when i be listening to jodeci  
and when i come over and bend your ass  
you be bumpin teddy pendergrass  
i'da hit it from the back to the melody to roll it slow  
now i gotta go up in it fast, but imma finish last  
no matter how much of a thug you see  
i still spit it like it's r&b, so to the club with me  
and with some luther come on and hope you finna and stilla be in love with me  
baby drop another slow jam  
and all us lovers need hold hands  
and if you aint got no man hop up on my brohem  
i keep it pimpin like an old man  
you gots to roll with the plan  
cuz after that then i  
take it to the dome  
then i got to bone  
stay up in the zone  
got to get you home  
gotta run up on  
and i do it (well well well well well)  
baby drop another slow jam  
and all us lovers need hold hands  
and if you aint got no man hop up on my brohem  
i keep it pimpin like an old man  
you gots to roll with the plan  
cuz after that then i  
take you to my home  
and we could get it on  
whisper on the phone  
just to get you goin'

tryina make you moan  
and i do it (well well well well well)
