Light the Universe

Candice Night

In a house up the hill
Lays a boy, he's sleepin' still
And the time's creepin' by
Till the world prepares to die
Then again out of dust
Will arise what ended last
And the boy will awake
Give his dream a little brake
And the story now goes on
And on, and on, and on
As the old has died, the new arises
And a child will
Light the universe, light the universe
We got blind, we can't read the signs
Light the universe, light the universe
We don't find what's hidden in our mind
Under sand in a sea
Covered with eternity
Beats a heart with no fame
Quietly whispering my name

When my time has run out
I will hear it very loud
Telling tales I once knew
But forgot by losing you
And the story has gone on
And on, and on, and on
As the old has died, the new arises
And a child will
Light the universe, light the universe
We got blind, we can't read the signs
Light the universe, light the universe
We don't find what's hidden in our mind
Light the universe, light the universe
We got blind, we can't read the signs
Light the universe, light the universe
We don't find what's hidden in our mind
In a house up the hill
Lays a boy, he's sleepin' still

And the time's creepin' by
Till the world prepares to die
