I Want You

Inspiral Carpets

No one ever said it was gonna be easy
A pain to tease me, the barrier's broken
Climbing aboard on a white knuckle, ride
Churns my insides and the wheels are in motionI want youMy heart is set, harder and harder
The chance of defeat is not in my nature
I've set a course and you're the receiver
I'm the retriever, I'm out to get youI want you, right now and foreverNo one ever said it was gonna be easy
A pain to tease me, the barrier's broken
Climbing aboard on a white knuckle, ride that
Churns my insides and the wheels are in motionI want you, right now and forever
I want you, right now and forever
I want you, right now and foreverThe barrier's broken
The barrier's broken
The barrier's broken
The barrier's broken
I want you
