

I Want You

Inspiral Carpets

No one ever said it was gonna be easy
A pain to tease me, the barrier's broken
Climbing aboard on a white knuckle, ride
Churns my insides and the wheels are in motion I want you My heart is set, harder and harder
The chance of defeat is not in my nature
I've set a course and you're the receiver
I'm the retriever, I'm out to get you I want you, right now and forever No one ever said it was gonna be easy
A pain to tease me, the barrier's broken
Climbing aboard on a white knuckle, ride that
Churns my insides and the wheels are in motion I want you, right now and forever
I want you, right now and forever
I want you, right now and forever The barrier's broken
The barrier's broken
The barrier's broken
The barrier's broken
I want you
