

You're Mine (Eternal)

Mariah Carey

I can't seem to live without your love
Suffocating here by myself dying for your touch
Spring time I spy get you every time
And I just can't seem to give you up you're mine[Chorus]
You make me feel our love would never end
How can I forget?
Baby we were the best
Suffered dream of you all though the night
Baby-I-can't-seem-to give you up you're mine[Hook]
I-can't-seem-to give you up you're mine
Baby I (I -can't-seem-to give you up you're mine)Summer days and Summer nights
When i felt you in my arms
Didn't i want you badly?
Wanted to let you have me?All them daisy stormy nights
When you crushed me with your charms
Didn't I need you madly?
Now I'm lining from apart![Hook]
I-can't-seem-to live without your love
Suffocating-here-by myself dying for your touch
Spring-time-I-spy, catch you every time
And I just-can't-seem-to give you up you're mine[Chorus]
Boy you make me feel
Our love would never end
How can I forget, baby we were the best
I Suffered dreams of you all through the night
And baby I- can't- seem- to- give you up you're mineI-can't-seem-to give you up you're mine
Baby I (I-can't-seem-to give you up you're mine)[Chorus]
Oh You make me feel like love would never end
Tell me how can I forget that, My baby we were the best
I Suffered dream of you all though the night
And Baby I-can't-seem- to give you up you're mineI-can't-seem-to-give you up you're mine
I-can't-seem-to-give you up you're mineWe are eternal
We are eternal
We are eternal
