Taking Back Sunday

There's been an accident
(Calm down)
There's been an accident, breathe
In and out calm down
(In and out calm down)
In and out calm down
(In and out calm down)
We can't go back, can't go back
Can't go back, we can't
We can't go back, can't go back
Can't go back, we can't
Breathe in and out calm down
But would you do it again, again and count backwards from ten
(Well, look I don't make those mistakes no more)
Because sometimes I swear I could see straight through you
Just concentrate, good try but would you do it again, again
We can't go back, can't go back
Can't go back, we can't
We can't go back, can't go back
Can't go back, we can't
We can't go back, can't go back
Can't go back, we can't
We can't go back, can't go back
Where have you, where have you, where have you been?
Where have you, where have you, where have you been?
Where have you, where have you, where have you been?
Where have you, where have you, where have you been?
Where have you, where have you, where have you been?
We can't go back, can't go back
Can't go back, we can't
We can't go back, can't go back
Can't go back, we can't
We can't go back, can't go back, can't go back, we can't
(We can't go back)
We can't go back, can't go
(We can't go)
Feels like anything anything, anything, anything
