

# Kill the Day (Gonzo in the Club)

## Filter

A night turns to daylight  
Daylight brakes you  
You feel lost and lonely  
Your thoughts betrayed youIt isn't the first time  
It won't be the last  
This crushed up feeling  
Has a place on my crimeClose your eyes  
The curtains that you like  
Push them away, it's ok  
Kill the dayAnd day turns to nighttime  
And the nighttime makes you  
You use a playwright pony  
Your thoughts remake youIt isn't the first time  
It won't be the last  
This crushed up feeling  
Has a place on my crimeClose your eyes  
The curtains that you like  
Push them away, it's ok  
Kill the dayClose your eyes  
The curtains that you like  
Push them away, it's ok  
Kill the dayHates you  
Brakes you  
Hates you  
Brakes youClose your eyes  
The curtains that you like  
Push them away, it's ok  
Kill the dayClose your eyes  
The curtains that you like  
Push them away, it's ok  
Kill the dayClose your eyes  
The curtains that you like  
Push them away, it's ok  
Kill the day
