Cleansing

The Color Red

Cleansing
Takes me where I want to be
Summer rays in me
Innocence
The hardest thing to achieve
Summer rays in meAnyone should not be
Taken overHere I am on the ground
On the ground
Here I am on the ground
On the groundCleansing
Takes away the right to breathe
Cover me disease
Innocence
Hardest thing to achieve
Summer rays be freeAnyone should not be
Taken overHere I am on the ground
On the ground
Here I am on the ground
On the groundAnyone should not be
Taken overHere I am on the ground
On the ground
Here I am on the ground
On the ground
