Year 3000

The Vamps

One day
when I came home
at lunch time
I heard a funny noise

Went out
to the backyard
to find you
if it was one of those rowdy boys

Stood there
with my neighbour
called Peter and a flux capacitor

He told me he'd built a time machine
like one in a film I'd seen, yeah

He said I've been to the year 3000,
not much has changed but they lived underwater
and your great-great-great-granddaughter
is pretty fine, is pretty fine

He took me
to the future
in the flux thing
and I saw everything

Boybands,
and another one
and another one
and another one

Triple breasted women
swim around town
totally naked

He told me he'd built a time machine
like one in a film I'd seen, yeah

He said I've been to the year 3000,

not much has changed but they lived underwater
and your great-great-great-granddaughter
is pretty fine, is pretty fine

I took a trip to the year 3000,
this song had gone multi-platinum
Everybody bought our seventh album,
it had outsold Michael Jackson

I took a trip to the year 3000,
this song had gone multi-platinum
Everybody bought our seventh album,
seventh album, seventh album

He told me he'd built a time machine
like one in a film I'd seen, yeah

He said I've been to the year 3000,
not much has changed but they lived underwater
and your great-great-great-granddaughter
is pretty fine, is pretty fine

I've been to the year 3000,
not much has changed but they lived underwater
and your great-great-great-granddaughter
is pretty fine, is pretty fine

I've been to the year 3000,
not much has changed but they lived underwater
and your great-great-great-granddaughter
is pretty fine, is pretty fine.
