Atonement

[Anberlin](#)

I've seen faces I may never see again
I've been places I never could have dreamt
I've touched hands with those who've touched me
Seen the marks, the skeleton keysI found peace in a foreign atonement
I lost myself in a tides of a moment
But nothing comparesDon't want to be here
Don't want to be here without you
I need to know you
I need to know you believe in meWhat's it worth if what it's worth alone?
(Somebody tell me now)
And what's the point if all the points we know?
(Somebody show me how)I've loved where I've been
Yes I love where I've been
But my heart's where I'm goingDon't want to be here
Don't want to be here without you
(I don't' want to go alone)
I need to know you
I need to know you believe in me
(I don't' want to go alone)I lost myself in a tides of a moment
But my heart's where I'm goingDon't want to be here
Don't want to be here without you
(I don't' want to go alone)
I need to know you
I need to know you believe in me
(I don't want to go alone)Cause I don't want to go alone
I don't want to do this all on my own
(I don't want to go alone)
(I don't want to go alone)
We can ride into the sun
Together we can take it, we're right with you inside
