

# Bring Back the Love (Club Mix)

[Mike Candys](#)

My tears ran dry when you said goodbye  
Yeah, almost cried an ocean  
And sleepless nights feeling dead inside  
'Cause you've torn my heart wide open  
You're like an angel  
Without the halo  
You give and take it away But I'm still faithful,  
I'm on my knees and I pray  
Baby, won't you bring back the,  
bring back the, bring back the love  
Baby, won't you bring back the,  
bring back the, bring back the love I'm dying, won't you  
Girl, set me free, you're all I need  
Never gonna give up So baby, won't you bring back the,  
bring back the, bring back the love  
Baby, won't you bring back the,  
bring back the, bring back the love
