Only One

Smith Westerns

Can you feel what I'm feeling?
What is this? Just a maybe?
Spend my time wondering if you're
Falling in love with me
With meCause I want you to feel
What it's like
Cause I want you to feel
What it's like
To be loved and always rightEverything that I am doing
I do it just for you
If you say I'm not right for you
Dreams never do come true
With youCause I want you to feel
What it's like
Cause I want you to feel
What it's like
To be loved and always right
To feel just rightCause it's hard
Cause it's hard
Cause it's hard
Cause it's hardDoes it feel as though you've won
Ooh, now that you're my only one?Cause I want you to feel
What it's like
Cause I want you to feel
What it's like
To be loved and always right
To feel just right
